## What is a Neighbourhood Development Plan?

Neighbourhood Development Plans (NDP) can set out local level planning policies for an area, shaping future development.

Under the Localism Act 2011, Parish and Town Councils can write an NDP for their area with their community.

Subject to conforming to both national and a Cornish Local Plan strategic policy, an independent examination and by gaining support through a residents referendum, this plan will be adopted as a formal planning policy by Cornwall Council. This means that future planning decisions in Looe will have to be made in accordance with the NDP.
