BRIEF FOR HERITAGE AND CUTURE / TOURISM WORKING GROUP

'Develop options to support a sustainable development strategy for the protection and enhancement of open spaces and community facilities, that:

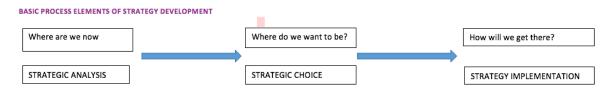

- Assesses and makes provision for the enhancement of the quality of existing open spaces, including a site for a high quality play complex;
- Identifies, protects and enhances key leisure and community sites;
- Identifies, protects and enhances listed buildings, non listed buildings, heritage features

As part of the work:

- Hold engagement sessions with community and industry representatives
- Visit and take advice from expert sources and recognised good practice examples
- Prepare updates for report to the Neighbourhood Plan Team at its monthly meetings
- Prepare a final report with proposals for the NP Team to recommend on to the Town Council in XXX
- Ensure that the cross cutting themes infrastructure, affordability, safety, and geography/environment are covered.

PROCESS GUIDANCE

The general process should reflect the process elements of strategy development.

It may be helpful to use a template document which leads through the process. Further guidance is available in the Dropbox folder. Working group activity should run sequentially through the process.(see diagram below)

WORKING GROUP ACTIVITY Overview Techniques Strategic Engage ment Results Intentions What is the SWOT (internal) information telling 1. Define future PEST (external) us about current state(s). conditions and expressed as a Evidence: data, Scenario building issues? 'vision' or 'aims' Discussion with What options are 2. Define stakeholders available to deal objectives that IPPF, Strategic LP Facilitation with them? deliver Policy. Local vision/aims Are there any Charting issues needing 3. Outline policies Good practice further research? that deliver objectives

GENERAL REQUIREMENTS

Proposals must have regard to economic reality, they must have a planning purpose, and be achievable.

Recommended policies or proposals can be either <u>specific</u> (a site allocation); controlling (in a specific area something will not be permitted; or enabling (developments will be permitted under certain conditions).

Working Groups to ensure that their operation is at all times open and accessible, that all policies and proposals align and integrate with other current and emerging non-land use strategies and interventions.

Set a timescale and work programme.

BUDGET

Each working group may incur expenditure up to £250 in carrying out its work. This may cover for example, costs associated with a visit to a specific example town or site away from Looe, the travel costs of a visitor to Looe from another town, costs of putting on an event, printing costs etc.

RESOURCES AVAILABLE

- Consumables paper, flipcharts, post-it notes, pens, printing etc.
- Access to 'Parish OnLine' Geographical Information System,
- Access to detailed Community Survey results.
- Survey Monkey login and support in creating questionnaires
- Dropbox folder with library of useful documents, folder of techniques, virtual library of NPs etc
- Use of website, twitter and facebook for publicity, surveys etc.
- Help with YouTube video, wordle etc
- 'Hotline' to Project Manager for support/advice
- Training for the working groups
 - Session 1 Tools and models: use of SWOT, PESTLE, stakeholder analysis, programme management, evidence researching, GIS mapping etc.
 - Session 2 Policies, proposals and projects: generating aims, objectives and actions,

- planning policy writing, etc
- Session 3 1 hour for selected volunteers on using Parish Online.

ROLES

- A 'Convenor' to 'lead' group through the work, set agendas etc
- Note taker (action points only need be recorded) and meeting booker
